ART EXHIBITION

PLEASE CONSIDER EXHIBITING

Granby Ambulance Association NEEDS your support. As an active part of the community for over 50 years, GAA promotes healthy outcomes by providing advanced emergency medical care and basic training classes such as CPR and Stop the Bleed®. Help us continue to deliver life-saving services by exhibiting your art at our spring fundraiser - A Perfect Pairing.

- 30% of all sales will go toward funding the continued operation of emergency medical services in Granby, East Granby and East Hartland.
- Artists are asked to donate one work of original art to the silent auction

TO LEARN MORE ABOUT EXHIBITING: contact Tammy Snyder at jts88@cox.net or visit www.granbyambulance.org for more information.
